Dear Sir:

May I again congratulate you on your fine address, at the November meeting of the Rochester Association of Industrial Buyers.

Your message was received with enthusiasm by our group, which has been evident by their telephone calls this morning, of words of praise.

In due respect to past and future speakers, your message will stand out as the highlight of the Years' Program.

I would like to extend my personal thanks, as well as the thanks of the entire Association for your fine message, and the kind cooperation of your superiors and your Company as a whole.

I trust I may again have the opportunity of meeting you personally and that you may at some time in the future, return to Rochester.

Very truly yours,
