Undergraduate Fall Enrollment

### Data Definitions

- Degrees granted data includes all graduates from the 2005-06 academic year.
- Fall enrollment data is a duplicative headcount that includes all degree-seeking students by first or second major. With the exception of Pre-Education, students with a “pre-” major are included with declared majors, even though they may not be accepted into the program.
- Seventeen percent (1430 students) of UW-L Undergraduates have not declared a major.
