

Undergraduate Enrollment by Gender 10-year Trend

Data Definitions

- Headcount enrollment is a count of the number of people taking courses as of Official Day of Record (the 10th day of instruction) for the Fall term regardless of how many credits they are taking
- Undergraduate counts include all undergraduate students, regardless of degree-seeking status.

Points of Interest

UW-L undergraduate enrollment tends to be 60 % female to 40% male; this is consistent with national gender trends in college degree seeking undergraduates.
