

Most Popular Undergraduate Majors

Data Definitions

- Degrees granted data includes all graduates from the 2006-07 academic year.
- Fall enrollment data is a duplicative headcount that includes all degree-seeking students by first or second major. With the exception of Pre-Education, students with a “pre-” major are included with declared majors, even though they may not be accepted into the program.
- Sixteen percent (1361 students) of UW-L Undergraduates have not declared a major.
- Seventeen percent (1402 students) of UW-L Undergraduates have a pre-professional second major, an indicator that they plan to pursue a graduate degree.
