This list is limited to English-language books in Lesbian Studies, primarily nonfiction, that are found in the online version of BOWKER'S GLOBAL BOOKS IN PRINT (www.booksinprint.com) in January 2003. Highly selective, it emphasizes academic titles published since 2000 across a broad range of topical areas but focusing on the United States. Given space limitations, coverage of related titles in queer/gay studies and biographical works is necessarily limited. The most essential works are starred.

ACRL WSS Core Lists in Women's Studies: Mexican Women

This list is limited to titles about women in Mexico. Works on Mexican American or Chicana women can be found in the [Women of Color](#) core list. All titles were checked in [Books in Print](#) or in Jovellanos (Mexican bookstore site at <http://www.j-libros.com>) for availability. If [Books in Print](#) gave qualifications for availability they are listed here; for example, "on demand," "special order" or "back ordered". Prices in Mexican new pesos were converted to U.S. dollars by Jovellanos, and contain the term "about". Spanish-language Mexican titles for which availability could not be verified are included if they are available in English-language versions that are in print. These unverified Spanish-language titles do not have prices.
