Mr. R. E. Fountain  
Value Analysis  
Building 32-G, 2nd Floor

Dear Roy:

I would like for you to know that Mr. Belanger and each of the IGE Executives were most pleased with your presentation, and I am certain that they now have a better understanding of the Manufacturing Services Division and how they can use the services which we have to offer to improve their IGE operations.

I want to thank you for taking part in yesterday's presentation, and I think you will be interested in knowing that we ended up right on schedule at 4:05 p.m.

Very truly yours,
