**Inter-rater Reliability of the Partner Behavior Support Profile**

**Why profile partners?**
- Assess pre-training strengths and weaknesses
- Evaluate readiness and willingness to act as support
- Discuss willingness to change behaviors

**Measuring Inter-rater Reliability**

**Results: Reliability**

**Results: Behavior Means**

**Participants**
- 7 clients
- 7 close partners

**Interpretations**

**Pros**
- Clear collaboration and cohesion
- Assess pre-training strengths and weaknesses
- Evaluate readiness and willingness to act as support
- Discuss willingness to change behaviors

**Cons**
- Unclear boundaries and clarity
- Micro-inclusion of client’s behaviors
- Ineffective strategies for intervention

**Clinical Implications: Objective**

**Future Directions**
- Complete inter-rater reliability from transcripts
- Compare close partners with novel partners
