Ken Cruise

Dear Ken;

What a great job you have done, and are doing!
And Top Congratulations for the great service
you have provided to purchasing management people
and to the profession, which resulted in your
receiving the high honor of the Shippman Award!

It is most gratifying to me to see men of your
ability and vision clinch onto the strong and
effective techniques, keep everlastingly at it,
and get communication through.

With highest of respect, and
warmest of friendship,

Larry Miles
