Dear Mr. Miles:

On behalf of the Albany Chapter of the Financial Executives Institute I would like to convey to you our sincere thanks for a most interesting evening last Monday. I am sure that our members and their guests found your discussion extremely interesting and were amazed, as I was, by the cost cutting which can be accomplished through value analysis. We are all most appreciative of your kindness in spending the evening with us.

Sincerely,

L. G. Briggs, President
Albany Chapter
Financial Executives Institute
