Mr. L. D. Miles
Purchasing Department
Product and Material Value Analysis
SCHENECTADY

Dear Mr. Miles:

Will you please send me a copy of the text material you used in the meeting at Bloomfield during the review session in which you asked questions and the replies were read by other individuals around the table.

The meeting which you conducted at Bloomfield was excellent and a great benefit to me. I intend to carry as much of it as I can through to my associates in our cost reduction activities.

Very truly yours,

C. E. Horner, Manager
WATER COOLER DIVISION
