Dear Mr. and Mrs. Miles:

First of all, I must apologize for my long silence.

Next, my wife and I are hoping that this letter will find you both in the best of health. As for us, we are fortunately enjoying good health.

I have been recollecting the pleasant days and moments I spent with you both in your beautiful home and in Hiroshima on the past occasions of our exchange visits.

I am very pleasure to introduce you my friend, Mr. Haruo Yoshihara who is a very famous Value Engineering Specialist and will present his papers at the SAVE National Conference.

I am sure SAVE National Conference will be a splendid success and extend to you both personally my wife's and my best wishes and warm greetings.

Sincerely yours.

Takehiko Tanaka
