# Policies Related to Registration

## Administrative Drop for Non-Attendance

Departments have the right to enforce class attendance policies, and may administratively drop students that do not meet these requirements. In particular, students that fail to attend a class during the first week (or in some cases the first two weeks) may be dropped so that another student may be accommodated. Specific policies vary from department to department.

### \$

**It is your responsibility to inform yourself about and comply with any such attendance requirements or to drop the class yourself. Tuition responsibility for dropped credits resides with the student.**

Contact the instructor or department for more specific information, especially if you anticipate missing any classes during the first week of the term.

## Overload/Maximum Credit Load

**The maximum credit load in fall or spring:**

- ▶ 18 credits (undergraduates)
- ▶ 18 credits or 3 studio courses (Peck School of the Arts undergraduates)
- ▶ 12 credits (graduates)

**The maximum credit load in summer:**

- ▶ 12 credits total

**Students wishing to enroll in an overload must obtain approval from their school/college advising office on an "Add/Drop" form.**

**Approval for overload does not waive any course prerequisites or permit enrollment in closed classes.**

Forms must be submitted to MEL 274 after the student's initial registration appointment time, and will be processed by Enrollment Services staff.

## Withdrawing from ALL Your Classes

**If you will not be attending any classes at all for the semester, you MUST officially withdraw from the University.**

### WHEN CAN I WITHDRAW FROM ALL MY CLASSES?

- See "Change of Registration Deadlines" on page 4 for withdrawal deadlines for other sessions.
- Your withdrawal becomes effective on (and fee/tuition assessment is determined by) the date it is done via PAWS, post-marked, or received in Enrollment Services (if submitted in person).
- See "Fees/Tuition Assessed for Withdrawal or Drop in Credit Load" on page 6 to determine your assessment for withdrawal.

- Withdrawals after the published deadline may be granted on appeal to your school/college advising office only for reasons other than academic difficulty.
- Withdrawal deadlines for classes that are shorter than eight weeks will be adjusted in proportion to the length of the class. See "Change of Registration Deadlines" on page 4.

Withdrawal deadlines for fee-assessment/reduction purposes are different than withdrawal deadlines for academic purposes. See "Fee/Tuition Assessed for Withdrawal or Drop in Credit Load" on page 6.

### HOW DO I WITHDRAW FROM ALL MY CLASSES?

**UW System policy specifies that proof for determining date of withdrawal rests with the student.**

**Failure to withdraw in writing can result in delays in updating your account and processing refunds!**

**Complete the following TWO steps to withdraw:**

- 1) Drop each of your classes individually via PAWS to make those class spaces available to others. After completing the drops, use PAWS to print a copy of your schedule to retain as proof.

#### AND

- 2) Write a brief letter stating your intent to withdraw from classes (be sure to include your Campus ID number), or complete a withdrawal form.

**Drop your withdrawal off at:**

Enrollment Services Information Center (MEL 274)

**Send it via certified mail to:**

Enrollment Services  
P.O. Box 729  
Milwaukee, WI 53201-0729

**Fax your signed withdrawal to:**

Enrollment Services at 414/229-2505.  
Please call 414/229-3796 to confirm receipt of your transmission.

**Remember:** Withdrawals will NOT be taken by telephone or via email.

# Change of Registration Deadlines

## (Add/Drop)

This chart shows the deadlines for making changes to your schedule for grading and records purposes. This chart lists the deadlines for most sessions. Check with Registration staff for deadlines of sessions not listed. Be sure to check the specific class listings in the online *Schedule of Classes* to verify the exact dates of the classes in which you wish to enroll, as some short-term classes deviate slightly from this schedule. Call 414/229-3796 if you have questions on deadlines.

## Fees/Tuition

Please go to [www.bfs.uwm.edu/fees/](http://www.bfs.uwm.edu/fees/) for additional information on the policies outlined below.

### TUITION ASSESSMENT

Tuition amounts are established through Regent action and legislative review.

You will be able to see your fee assessment and due dates on your PAWS account. From your "Student Center" page click on "Account Inquiry" to view detail or click on "View Billing Statement" to see your online statement of account. Tuition is due on the date specified on your PAWS account.

### ONLINE BILLING – NO PAPER BILLS

No paper bills will be mailed to currently enrolled students. View your PAWS account for housing, meal plan charges, and tuition and fee information.

### FINANCIAL OBLIGATION

When you register for classes or make changes to your registration using PAWS, you are making a financial commitment to UWM. If you register prior to the start of classes, you must do one of the following:

1. Pay full fees/tuition for all classes in which you enroll.
2. Notify Enrollment Services in writing if you decide not to attend.

### PAYMENT OPTIONS

All PAWS charges may be paid online through your PAWS account with webCheck, an electronic check payment option. Visa, MasterCard and American Express credit cards are also accepted. A \$6.00 convenience fee is charged on all PAWS online payment transactions.

Pay by mail. Print your online billing statement and mail it with your payment to the address indicated.

The Cashier's Office does not accept in-person credit card payments.

### PENALTIES AND OTHER FEES YOU MAY BE ASSESSED

#### Late Payment

If your payment is not received by the fee due date, you may be assessed a \$25.00 late payment fee.

#### Late Registration

You may still register and add full-semester classes using PAWS during the first ten days of the semester (fall or spring semesters only) or during the first week of classes (summer sessions). If you register via PAWS on or after the published late registration deadline for full-term classes or the first day of a partial-term session, or must re-register after cancellation, you will be assessed a \$50.00 late registration fee.

### "BAD CHECK" CHARGE

A \$20.00 "bad check" charge applies to non-negotiable checks or webChecks made out to the University. If your check is not negotiable, you will be subject to late fees and/or interest (in addition to the "bad check" charge). A Hold may be placed on your records.

### ASSESSMENT OR REFUND FOR DROPS/WITHDRAWALS

A percentage of the fees/tuition assessed is charged for withdrawal after classes begin. Nonattendance does not constitute withdrawal. If you fail to formally withdraw (see "Withdrawing from All Your Classes" on page 3), you will be responsible for the full fees/tuition and subject to failing grades. To determine your assessment for withdrawal or reduction in credit load, see "Fees/Tuition Assessed for Withdrawal or Drop in Credit Load" on page 6.

## Fees/Tuition Assessed for Withdrawal or Drop in Credit Load

Percentage assessments are established by the UW System Administration and the Board of Regents. For withdrawals or reduction in credit load, the following charges will be made.

Tuition is assessed for ALL credits in which the student is enrolled after the 100% refund deadline.

DATE OF DROP OR WITHDRAWAL	LENGTH OF SESSION				
	12 WKS. OR MORE	8-11 WKS.	5-7 WKS.	3-4 WKS.	2 WKS. OR LESS
By Friday before session week begins	NONE

During second week*	\$100.00	50%		75%	100%
During third week*	50%	75%	100%		
During fourth week*		100%			
After fourth week*	100%				
<p>* A course week ends at 4:30 p.m. on Friday.</p> <p>Students receiving financial aid do not earn 100% of their aid until the 60% point in the semester. Withdrawing from all classes prior to that usually requires they repay some of their financial aid.</p>

## Credit Load Values for Determining Enrollment Status

SEMESTER	FULL-TIME	HALF-TIME	LESS THAN HALF-TIME
<b>Fall/Spring Semesters</b>			
Undergraduates (except AOC)	12 or more credits	6-11 credits	5 or fewer credits
AOC Undergraduates	8 or more credits	6-7 credits	5 or fewer credits
Graduates	8 or more credits	4-7 credits	3 or fewer credits
<b>Summer Sessions★</b>			
Undergraduates	6 or more credits	3-5 credits	2 or fewer credits
Graduates	6 or more credits	3-5 credits	2 or fewer credits
<p>Eligibility for veterans benefits and other types of financial aid may be based on different credit load requirements. Contact Veterans Affairs or Financial Aid for further information.</p> <p>Teaching or program/project assistants that are employed at 1/3 or more time and enrolled for six or more credits during the fall and spring semesters are usually considered full-time graduate students.</p> <p>During fall and spring semesters, doctoral students must be enrolled for three graduate-level dissertation or research credits (at the current per-credit dissertation rate) each semester until their dissertation is accepted by the Graduate School. During any summers in which a doctoral student uses University facilities or faculty time, is a fellow or research assistant, or plans to graduate, the doctoral student must register for three graduate-level credits (dissertation rate) in the regular eight-week summer session. Three is the minimum (and the maximum) per semester.</p> <p>Note: For verification purposes and in determining financial aid eligibility, English 95 and Math 90/95 will each be treated as the equivalent of a 3-credit class.</p> <p>★ Department of Education rules require that the same credit load standards apply for spring, fall and summer session loan deferment verifications. Therefore, for undergraduates, an enrollment of at least six credits (half-time enrollment) is required for loan deferment verification purposes for the summer session.</p>			

# General Education Requirements

The General Education Requirements (also known as GER) provide structure to your education while giving you the freedom to design an individual academic program.

The **competency requirements** assure basic student competencies in English composition, mathematics, and foreign language. The GER mathematics and English composition requirements should be completed early in the academic career to insure acquisition of critical skills for subsequent course work. Many UWM schools/colleges require completion of the competencies prior to advancing to the professional portion of the major. Completion of the relevant competency is also a prerequisite for some intermediate and advanced courses.

The **distribution requirements** provide a broad body of knowledge in the arts, humanities, and natural and social sciences as a foundation for specialization. You need to complete these requirements for graduation.

In general, the GER apply if your first semester in a degree program at UWM or any other accredited school was September, 1986 or later. You are not responsible for the GER if you are a Second Degree Candidate.

All degree programs have specific requirements beyond GER. It is important to work with your advisor to design an appropriate course of study.

## Competency Requirements

### ENGLISH COMPOSITION

You can complete the English composition requirement with one of these options:

- ▶ earning a grade of "C" or higher in English 102★
- ▶ transferring a grade of "C" or better in a course equivalent to English 102 or a higher level expository writing course★
- ▶ earning an appropriate score on the English Placement Test (EPT)

### MATHEMATICAL SKILLS

You can complete the mathematics requirement with one of these options:

- ▶ earning at least three credits with a grade of "C" or higher in Mathematical Sciences 105, 106, 175 or equivalent★
- ▶ achieving a placement code of at least 30 on the mathematics placement test

★You may not take these courses on a credit/no credit basis if you are using them to satisfy the English composition and/or mathematics requirements.

### FOREIGN LANGUAGE REQUIREMENT

**You can satisfy the requirements with one of these options:**

- ▶ completing with passing grades at least two consecutive years of high school level instruction in a single foreign language prior to your enrollment at UWM,
- ▶ completing with passing grades at least two consecutive semesters (minimum of six credits) of college-level instruction in a single foreign language, or
- ▶ demonstrating foreign language ability equivalent to two semesters of college-level instruction by means of a satisfactory score on an approved placement, proficiency, departmental, or other appropriate examination.

Students who entered UWM as freshmen prior to September 1999 or earned transferable credit prior to September 1999 are not responsible for the foreign language requirement.

College of Letters and Science (L&S) students should consult an advisor for L&S foreign language requirements.

## Distribution Requirements

You can satisfy the distribution requirements by successfully completing courses in the following areas:

**ARTS:** Three credits in a course about the history, philosophy, theory, or practice of the creative and interpretive arts (e.g., visual arts, dance, music, theatre, creative writing).

**HUMANITIES:** A total of six credits in at least two courses.

**NATURAL SCIENCES:** A total of six credits in at least two courses. At least one course must include laboratory or field experience involving the generation and testing of data, and the application of concepts and knowledge to the solution of problems.

**SOCIAL SCIENCES:** A total of six credits in at least two courses.

**CULTURAL DIVERSITY:** Three credits in a course relating to the study of life experiences of African Americans, Hispanic/Latino Americans, American Indians, or Asian Americans. Many, but not all, courses which satisfy Cultural Diversity also satisfy one of the required distribution areas. (You will need to satisfy this requirement if you started attending UWM in fall, 1989 or thereafter.)

**Cultures and Communities (CC):** Students may choose the Cultures and Communities option to satisfy their GER distribution requirements. CC courses emphasize diversity and cross-cultural literacy, community-based learning, multicultural arts, global studies, and the cultural contexts of science, health care, and technology. A Service Learning course is also required. Students who complete the CC program receive the Cultures and Communities Certificate upon graduation. Courses marked with a "CC" to the left of the course title in the GER course list will apply toward this focus. For more information, contact the Cultures and Communities Program, 414/229-5960. Website: [www.cc.uwm.edu](http://www.cc.uwm.edu).

## GER Course List

On the following pages is a list of courses offered this semester, which have been approved for the GER distribution requirements. A course can be counted in only one of the main distribution areas (Arts, Humanities, Natural Sciences or Social Sciences), but may also satisfy the Cultural Diversity requirement if it is on the approved list.

Courses which satisfy the GER distribution requirements are also annotated in this *Schedule of Classes*, directly below each course number, as follows:

&	=	satisfies Cultural Diversity requirement only
(A)	=	satisfies Arts requirement
(A&)	=	satisfies Arts/Cultural Diversity requirement
(HU)	=	satisfies Humanities requirement
(HU&)	=	satisfies Humanities/Cultural Diversity requirement
(NS)	=	satisfies Natural Sciences requirement
(NS+)	=	satisfies Natural Sciences lab/fieldwork requirement
(SS)	=	satisfies Social Sciences requirement
(SS&)	=	satisfies Social Sciences/Cultural Diversity requirement

**A complete list of courses approved for GER is published in Appendix A of the UWM Undergraduate Catalog and online at [www4.uwm.edu/current\\_students/ger\\_information/index.cfm](http://www4.uwm.edu/current_students/ger_information/index.cfm).**

## HELP with GER

**Consult with your academic advisor if you have questions about the General Education Requirements.**

# Courses Approved for GER Distribution — Offered Summer 2010

The following courses, offered during the current semester, have been approved to meet the General Education Requirements (GER). For a complete list of courses that meet GER distribution please see the current *UWM Catalog*.

**Note:** 1) not all degree programs or majors accept all GER courses, 2) College of Letters and Science students cannot use courses listed under the "Non-L&S Majors" headings to satisfy L&S distribution requirements; however, these courses can be used as electives and will satisfy the university GER; and 3) other restrictions are noted in the footnotes.

Consult with your advisor to determine which courses are appropriate for your chosen course of study.
