Lawrence D. Miles
Manager, Value Services
General Electric Company
Schenectady, New York

Dear Mr. Miles :

Our sincere thanks for your participation in the 1963 National Value Engineering Conference. We feel the conference was quite successful. The enrollment of over 100 was drawn from all sections of the country and covered a wide range of industries and governmental agencies. Your contribution as a member of the panel on "Value Engineering--A Top Management Critique" was a major factor in the success of the conference. We have had many favorable comments on this panel session.

We are also grateful to the General Electric Company for its kindness in arranging your participation.

Sincerely yours,

David L. Miller, Ph.D.
Coordinator of Extension
and Special Programs
