Dear Larry,

I confirm my letter of July 25 as well as the receipt of yours of the same date.

Magazine "EXAME"

I apologize for being so unpolite to send it without a translation of the text from Portuguese into English. If your friend's Argentinian wife has not yet read it to you, please let me know so that I may provide the translation for you.

VA Matters

The foundation of SAVE Affiliated in Brazil was initiated by Mr. Rodolfo Rodrigues Pereira Filho, who has also presented a case at your seminar in São Paulo. He is a Chief of Executives Training Dept at Volkswagen do Brasil. I have already sent him a letter about our full support for the VA divulgation. However, I have not heard anything from him so far.

A Dream Never Dies

I think it will be very hard to get this cassette, without an information from Dusty or his people of the title and the name of the singer. But I was very touched to know that Eleanor has been trying to find it.

Evolution of MAZDA

I thank you very much for the publication in FORBES you have sent to me.

Books About VA

I have received a list of books on VA in Japanese, which I am attaching hereto. Very frankly, I have not asked for a translation as it would not be understandable to me.

I was very happy to learn your health continues to climb and that Eleanor is beautiful and busy.

We are very glad because it is cold and agreeable and Hanna registered, last weekend, 36°F at our country house.

Very Best Wishes

Herbert Stukart
