EDITORIAL POLICY

The Midwestern Archivist, a semi-annual journal published by the Midwest Archives Conference, is concerned with the issues and problems confronting the contemporary archivist. Submissions relating to archival theory and current practice are solicited. Diversity among topics and points of view is encouraged. Ideas and opinions expressed by the contributors are not necessarily those of the Midwest Archives Conference or its Editorial Board.

Material in a wide range of formats—including articles, review essays, proceedings of seminars, and case studies of specific archival projects or functions—will be considered for publication. Guidelines for authors of articles and case studies are available upon request from the editorial board chair.

Manuscripts should be sent to the board chair, Frank Boles, Bentley Historical Library, University of Michigan, 1150 Beal Avenue, Ann Arbor, MI 48109. The editorial board uses the current edition of Chicago Manual of Style as the standard for style, including footnote format. Decisions on manuscripts will be rendered within ten weeks of submission. Offers to review books or suggestions of books to review should be sent to the book review editor, Tim Ericson, Milwaukee Urban Archives, Golda Meir Library-UWM, 2311 East Hartford, Milwaukee, WI 53201.

MAC members receive The Midwestern Archivist and the MAC Newsletter upon payment of annual dues of $12; institutional memberships are $20. Single issues of the journal are available at $3.50 plus fifty cents for postage and handling. An index to Vols. 1-8 (1976-83) is available at the single-issue price. Inquiries regarding membership or purchase of journal copies should be directed to Kevin Leonard, MAC Secretary-Treasurer, University Archives, Northwestern University, Evanston, IL 60208-2300. The Midwestern Archivist is also available in microform from University Microfilms International.

Articles appearing in this journal are abstracted and indexed in America: History and Life and Library and Information Science Abstracts.
