Mr. H. B. Miller
570 Lexington Ave.
NEW YORK OFFICE

Dear Hal,

This is just a little note to tell you I think Larry Miles does a terrific job in getting across his story on materials. I thought he made the most interesting and convincing presentation of all of those who participated in the Manufacturing Personnel Development Service Meeting here in Schenectady last Thursday.

Incidentally, this was a very good and worthwhile Meeting.

Sincerely,

George E. Mullin, Jr.
