Dear Mr. Miles:

Just a note to tell you how much Lt. Col. Nicholls, Mr. DeCelle, Mr. Stuart and I enjoyed attending a portion of your graduation exercises for the Value Analysis Group on 25 October. As you know Watervliet Arsenal has been working at value analysis for almost a year and it was an inspiration to us to see the finished manner in which your graduated students reported substantial proposed savings.

Congratulations on a most impressive presentation!

Sincerely yours,

E. S. MATHEWS
