Mr. L. D. Miles
Manager-Value Service
Manufacturing Services
Schenectady

Dear Larry:

I have just received a very complimentary communication from the Society of American Value Engineers before whom you spoke on November 8. It is apparent from this communication that they hold you in very high regard and that your appearance reflected great credit upon both you and the Company.

May I extend my congratulations for your contribution and tell you how pleased I was to receive this communication.

Sincerely yours,

G. L. PHILLIPPE
