Dear Mr. Miles

Attached is a copy of a letter which has been sent to Mr. C. W. Bryant at General Electric Company corporate headquarters in New York.

While this letter attempts to outline my feelings regarding your participation in the recent Air Force sponsored Value Engineering Conference, I wish to add my most grateful appreciation for your important contribution towards the success of this meeting.

In talking with most of the attendees, I found that they shared my enthusiastic response to your stimulating presentation.

Many thanks for your splendid cooperation.

Sincerely yours
