

- 1949 - "How To Cut Costs With Value Analysis" - American Machinist
- 1950 - "Value Analysis" - Purchasing Magazine  
 "Value Analysis" - The Alabama Purchasing
- 1951 - "Let's Put 16 Ounces of Function in Every Pound of Packaging" - Streamliner
- 1952 - "Cost Control" - Interview with L. D. Miles - Wall Street Journal  
 "Cutting Costs By Analyzing Values" - NAPA Booklet  
 "Dollar Sign Engineering and Value Analysis" - G. E. Review  
 "Value Analysis Cuts Costs" - Monogram
- 1953 - "Value Analysis - A Plant-Wide Creative Cost Reduction Program Under Purchasing Leadership" - ASME, California
- 1954 - "Value Analysis in Purchasing" - Pacific Purchasing
- 1955 - "Value Analysis: Equal or Better Performance at Lower Costs" - Steel Magazine
- 1956 - "Applying Value Analysis Techniques to Product Improvement" - Machine Design  
 "Conservation Through Value Analysis" - Rochester Air Procurement District  
 "Product Change Improves Manufacturability" - ASTE
- 1957 - "Cost Reduction Through Value Analysis" - Nat'l Mgmt. Engrg. Clinic  
 "General Electric's Program Still Sets The Pace" - Purchasing Magazine  
 "Value Control... Extension of Value Analysis" - Product Engineering
- 1958 - "Cost Control" - (in collaboration with W. H. Reger) - Production  
 "Value Analysis - Value Engineering" - Society of Naval Architects & Marine Engineers  
 "You Can Slash Costs By 25% With Value Analysis" - Management Methods  
 "Value Analysis Puts Profit Into Purchasing" - Heart of America Purchaser
- 1959 - "The Impact of Value Analysis" -- Interview for American Machinist Magazine  
 "Value In The Military" -- Army Ordnance Corps Value Analysis Seminar
- 1960 - "Management Aspects of Value Analysis" - Prof. Development Clinic NAPA  
 "Purchasing Must Analyze Values" - Purchasing Magazine  
 "Productive Purchasing" - G. E. Publication  
 "Value Analysis - Worthwhile or Waste" - Rebuttal in Armed Forces Mgt. Magazine
- 1961 - "Organization for Value Engineering" - Dept. of the Army  
 "Quality Control and Value Analysis" - ASQC  
 "Value Analysis: Assault on Bastions of High Cost" - Interview by L. A. Times  
 "Value Engineering" - AIEE Western Technical Conference  
 "What is New in Value Engineering Technique and How Can We Now Use It To Double The Armament Per Dollar" - ECMR Sponsored VE Conference
- 1962 - "Evaluating Design Factors Affecting Costs and Reliability of Systems and Assemblies" - ASME  
 "Four Approaches to Value Engineering" - Materials in Design Engineering  
 "Techniques of Value Analysis and Engineering" - QC Conference  
 "Techniques of Value Analysis and Engineering" - Textbook (McGraw-Hill)  
 "Understanding Value Analysis"..... or ..... - ASTM  
 "A Definition of Value Analysis With Its Philosophy, Techniques, and Operation"  
 "Value Analysis - A Key To Lower Costs in Electronic Equipment" -- Western Electronic News (in collaboration with JH Mar)
- 1963 - "Value Engineering - Gimmick or Gold Mine" - Dun's Review  
 "Philosophy of Value Analysis" - SAE  
 "Target: Materials Cost" - Production  
 "Value Engineering: It's Incredible" - Interview by L. A. Herald Examiner  
 "Value Engineering in Product Design to Improve World Competitive Position" - IRE
