"Hypothesis On The Necessity of Giving as Distinguished From The 'Joy of Giving'"

Thesis preposterous, but am afraid it's true.

Burst from within growth organism

Give out necessary for health

Concrete - tree root

Give out four ways

Physical

Mental

Emotional

Spiritual

Not joy of giving

But NECESSITY of giving

Not-give to help others. . . . But "to maintain health"

Must be received

Examples

Little girl

Mrs. Barlow

Exec. wives

What can we give

mental xx

emotional xxx

etc.

Give balanced pattern?

Give much to pet?

Give to group - as army?

Teen ager

My mother 84

Human org. growing

developing forces of expansion

Must give it out or

plugs mental, emotional or spiritual health
