W. D. Leggett, Jr.,  
Vice President—Engineering

January 10, 1962

Mr. L. D. Miles  
Bldg. 32G  
General Electric Co.  
Schenectady 5, N. Y.

Dear Larry:

Had a note from Jimmy James that he had seen Secretary Tom Morris about what you and I discussed the other day and that the Secretary appeared quite interested. Will follow up next time I go down.

Very truly yours,

W. D. Leggett, Jr.
