Mr. C. W. Bryant  
Manager - Materials Services  
Building 36  
SCHNEIDERSTEADT WORKS

Dear Bill:

Thank you very much for your fine presentation to the West Lynn Foremen's Association. From the many favorable comments received, it would appear that a large number of our supervisors now have a greater appreciation of the importance of Purchasing - Value Analysis and Traffic.

I should also like to thank Ray and Owen for their part in the presentation.

L. P. HANNAWAY  
MANAGER - MANUFACTURING
