Mr Ichiro Ueno, Pres.
IBAM
Tokyo.

Dear Mr Ueno;

Thank you for the July 27 invitation letter. Mrs Miles and I enthusiastically accept.

We'll be in touch with Mr Kodama as thoughts and plans develop.

We were also much interested to receive the booklet about IBAM and its plans. We learned much important knowledge from it. Thank You. What a joy to see that it was a creation of your father!

Sincerely,

Larry & Eleanor Miles

SOCIETY OF JAPANESE VALUE ENGINEERS (SJVE)

July 27, 1978

Mr. and Mrs. Lawrence D Miles
Sedgefield R5 B840
Easton, Maryland 21601
U. S. A.

Dear Mr. and Mrs. Miles:

I am pleased to inform you that the Conference Program Committee of this Society formally decided, on July 26, to invite both of you to the 1978 National Conference of SJVE to be held on October 26 and 27 this year in Tokyo.

We sincerely hope that your health conditions would permit you to make a short overseas trip in this autumn. We are desirous of your making a Commemorative Speech for the conferees on a broad subject of your preference, hopefully on some of your prophetic thoughts on Value technology.

Having an eye at your enjoyment of a comfortable journey at this time, we are considering some arrangements for you only in Tokyo area and its immediate vicinity, which would least force you to a hard schedule as such.

Expense-wise, SJVE is ready to bear the costs for both of you of (1) round-trip economy-class air-tickets...Washington, DC and Tokyo; (2) hotel expenses for a week's stay in Tokyo to include the cost of necessary visits in the area. If you wish to plan some leisure program, please feel free to let me know.

Anyway, all of this is to officially confirm our invitation for each of you to visit Japan in October and to our National Conference. As we firm up the program/scheduling aspects, Mr. Akira Kodama will keep you updated.

I shall look forward to hearing from you regarding your plans.

Very sincerely,

Ichiro Ueno
President, SJVE

IU/kn PS: As for your speech, we will set aside a period of 90 minutes for your speech (to be shared by yourself and your interpreter speaking alternately). A brief resume of your speaking plan would be much appreciated.

SOCIETY OF JAPANESE VALUE ENGINEERS (SJVE)

July 6, 1978

Mr. and Mrs. Lawrence D. Miles
Sedgefield R5 B840
Easton, Maryland 21601
U. S. A.

Dear Mr. and Mrs. Miles:

I have come back last month to Tokyo after the "touch-and-go" type of a trip through American cities.

It was a great pity that because of my tight schedule I missed the chance of visiting you and your friends at your Easton residence this time. I was happy, at least, to know from your voice that you are doing fine. I should have been aware of the long Memorial Day vacation and the distance between Washington, DC, and Easton.

As for the 1978 National Conference of SJVE scheduled for October 26 and 27, our Board of Directors is scheduled to meet on July 24 to officially decide on the plan to invite you both for the occasion. You will hear from us again on the matter.

The SAVE plaque of Outstanding Achievement in Management award for 1978 is now proudly posted in my office, and I endeavor to sustain the big name given to me.

With best wishes,

Sincerely yours,

IU/kn

Ichiro Ueno
President
