GENERAL DYNAMICS | FORT WORTH

6 April 1964

Mr. George W. Aljian  
1750 Stanford Avenue  
Menlo Park, California

Dear Mr. Aljian:

I am enclosing the package of material forwarded to me by  
Larry Miles for final check.

I did not find it necessary to propose any changes to the  
material other than to correct the identification of my com-  
pany, which should be General Dynamics/Fort Worth Division,  
Fort Worth, Texas, rather than "Convair" Division.

May I express my pleasure for the opportunity of making a  
small contribution to your Purchasing Handbook and for the  
privilege of associating with Larry Miles.

Very truly yours,

C. W. Doyle  
Value Control/Cost Reduction Administrator

Larry  
Thank you for the opportunity  
Perhaps some day I can repay  
a small part of my debt to  
you.
