Manufacturing Services
SCHENECTADY

Dear Larry:

I would like to take this opportunity to express my appreciation to you for the fine talk which you gave Monday at the Region III meeting of the American Institute of Industrial Engineers. Your talk was certainly well received and created a lot of interest.

This meeting also gave me the opportunity to meet Sid Nutting and Tom Jones of Union Bag-Camp Paper Corporation.

Thank you again for your coming down, and I hope to see you again soon.

W. C. LESTER
