Dear Larry,

I am sorry to hear that you lost your copy of Gage, and enclose another.

We are reprinting at the moment so I will send a further book in the fall.

Rather than raise a charge, could I please have an autographed copy of TECHNIQUES OF V.A & V.E ?

Yours sincerely,

Bill Gage

Dear Bill.

Thanks a million for the autographed copy of "Value Analysis" I received. Sounds good to hear that you are having another printing.

Will look forward to the second copy at any convenient time.

Best of success to you

Larry Miles
