Mr. L. D. Miles
Manager, Value Services
General Electric Company
1 River Road
Schenectady, New York

Dear Mr. Miles:

I had not written to you concerning the material that you very kindly sent to me as this material did not come up until the latter part of the semester.

We have covered this area now, and I want to thank you for sending me the material on Value Engineering.

Sincerely,

Robert D. Fowler, P.E.
Professor
