Comment

Mr. D. H. Ware  
Engineering Services Division  
SCHEMECTADY

Dear Mr. Ware:

Your recent Value Analysis Conference was an outstanding success. In my opinion it was the best planned and best operated educational affair that I have attended within G. S. Everyone that I talked with during and after the presentation was enthusiastic about the possibilities of the combined Value Analysis and Creative Engineering approach.

It was a great performance. Congratulations!

I. Kalikov, AIRCRAFT GENERATOR ENGINEERING
