LYNN RIVER WORKS, October 4, 1957

Messrs. L.D. Miles
J.K. Fowlkes

I would like to express my personal thanks as well as the thanks of the Small Aircraft Engine Department for your presentations and outstanding contribution to improving the Value ability of our technical people.

Reactions to the program have been very good and I'm looking forward to the renewed enthusiasm which presentations of this type generate.

Thanks again and best wishes for a successful company wide seminar.

Sincerely,

Fred S. Sherwin

Fred S. Sherwin, Supervisor-Value Analysis, Bldg. 3-40, Ext. 4555.
