Donna Rogers:  
It is rewarding to know that  
a student chapter is being formed  
and you may be sure I will  
be delighted to award the  
Charter at the President's  
Luncheon on Tuesday.

Thank you for this  
interesting opportunity.

Warmest regards -

Larry Miles

Dear Larry,

The excitement and anticipation of the up-coming conference is mounting here in Detroit. Our Steering committee although small is expecting a very successful conference! One of the big events will be the President's Luncheon on Tuesday, May 24. At that time, we plan to have the President of the Pioneer Chapter, Michigan State University, receive the Chapter Charter. Would you please do the honors of this presentation?

I feel for two special reasons you should have this honor. First, as Father of V.E., your early seeds of wisdom have germinated and matured and this seems almost like a grandchild - ( if you weren't so young!). Secondly, you had the foresight to envision that institutions of higher learning must be a strong force in the dissemination and reinforcement of V.E. Knowledge and practice; and early academic training is a necessity for the growth of the discipline and the resource of leadership within the Society. The Pioneer Chapter of MSU is the reality of your vision. I can think of no one who would mean as much to this young academic chapter.

Thank you for the consideration you will give this request. I will look forward to your reply.

Sincerely,

Donna J. Rogers  
General Conference Co-chairperson
