Dear Mr. Miles:

Hope you enjoyed meeting Mr. Ichiro Ueno, our President, in Washington, DC., or at your home.

On behalf of the members of our Value Engineering Study Group, I'd like to express our heartfelt thanks for every kindness and warm hospitality shown to us by you and Mrs. Miles when we visited your home on May 6.

It was also so good for me to know that you are fully enjoying the return to your normal living.

As we discussed at your home and also presumably you and Mr. Ueno must have talked, we are getting on a plan to realize the second visit to Japan by Mr. and Mrs. Miles in time of SJVE's 11th Annual Conference in October this year.

Incidentally, I and the members of the VE study tour group are to get together one evening in mid-June. I hope to be able to write you again after that meeting, and by that time I shall have discussed our plan with Mr. Ueno back in his office.

Again with our sincerest thanks and best personal regards to you and Mrs. Miles,

Very sincerely,

Akira Kodama
Secretary General
