Dear Larry:

This is just a short note of thanks to tell you how much both Jack DeVries and I appreciate you sending "Dusty" Fowlkes down to speak to our Rotary Club last week. We know we gave you practically no notice and think it was wonderful that you were able to furnish such an excellent speaker on such short notice. I was chagrined to learn that "Dusty" had to interrupt his vacation to speak here. It is a tribute to your staff that you have such capable people with such a good team spirit.

Incidentally, the speech was excellent and very well received. One of the local merchants who was present was in my office yesterday and commented again on it. "Dusty" is certainly a very talented speaker and we were proud of him. Our company has a very high standing in the community and "Dusty" enhanced it, I'm sure.

Thank you again, Larry, and please give our thanks to "Dusty". Please stop in and see us when you get down South, and if we can do anything to return the favor you have done us, please let us know.

Best regards.
