## DECEMBER MEETING

### SPEAKER:

MR. SIG BLAMBERG

### TOPIC:

*Human Relations in Management Development.*

MR. BLAMBERG, Director of Human Relations Faculty, at Hillyer College is eminently qualified to speak on the field of human relations. MR. BLAMBERG studied at Temple University, University of Pennsylvania and Hillyer College. He holds a Bachelor's degree in Social Science and a Master's degree in Education. His practical background has been enhanced by the more than twenty years of working with people in supervisory and administrative posts in the fields of welfare, social services and personnel functions. While at Hillyer College, MR. BLAMBERG has been a consultant and conference leader for many local commercial and manufacturing firms.

### DATE:

### NEXT MEETING:

The January meeting will be held on Thursday, January 21, 1954 at the Nutmegger House. Our speaker will be MR. L. D. MILES of General Electric Co., Schnectady, N. Y. MR. MILES subject will be "Valve Analysis" presenting an entirely new concept of the purchasing function. This new approach to cost reduction by a combination of engineering and purchasing functions has been used for some time by the General Electric Co. and has proved to be a very effective approach to cost reduction. Make plans now for attending this meeting and pass the word along to your Purchasing Dept.
