Dear Mr Ueno:

Eleanor and I are much pleased to have received your valued letter yesterday, telling us that you will be receiving the well earned honor from SAVE, and that you will be in this area of the world about May 28 and 29.

Fortunately, our schedule for the 27th, 28th, 29th and until mid-day the 30th is open. We will keep it so until we know your plans. We cordially invite you, and any ~~entourage~~ ^{who are} with you, to be our guests at Sedgefield - 1½ hours from Washington by car - at any time, for as much time as you can schedule. Eleanor's lunches, brunches, and/or dinners are, you will find, superior - and she greatly enjoys preparing and serving them to much enjoyed friends.

The attached copy of my Febr. letter tells you the good news of my recovery. The 60 days since then have been great. No return whatsoever of any problem, and the return to the joys of normal living.

By a copy of this letter to Rudy Kempter, who I presume will be arranging the details, I advise that I am very much available, with my automobile, to help with the transportation to and/or from Washington to Sedgefield.

Please give our greetings to Mrs Ueno. Tell her we well remember her many kindnesses, including her trip to the Tokyo airport to bid us a happy goodbye.

With Warmest Regards,

Larry Miles

Dear Mr. and Mrs. Miles:

It's been some time since you both were in Japan and I really enjoyed knowing you better then. I am glad to know, Mr. Miles, that despite your recent problem with your health you seem to be doing quite well as you sued to do all times.

Recently, I was surprised at and felt deeply grateful for haring from Mr. Jimmie L. Carter that I was selected by the SAVE Board of Directors to receive the Outstanding Achievement in Management Award for 1978. Since I happen to be unable to personally attend the award ceremony in Indianapolis, I am sking Mr. Akira Kodama (who participates) to receive it on my behalf.

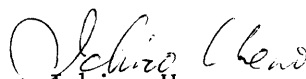

Aside from this, I have only been able to schedule a short tour of the U.S. around the end of May, in which I will possibly stay in Washington, DC., the nights of May 28 and 29 (after leaving Tokyo on May 23).

I would very much like to meet you and of course our other mutual friends, and I am asking Mr. Rudy Kempfer to help me in arranging for meetings and visits in Washington, DC., area.

In the meantime, I would much appreciate hearing from you soon.

Best personal regards to Mrs. Miles,

Very sincerely yours,

Ichiro Ueno
